### ***AGS Rehab Solutions launches new Assessment Division***

AGS Rehab Solutions Inc. is pleased to announce the launch of its new **Assessment Division**, effective February 1, 2016. A logical extension of our existing suite of comprehensive disability management, vocational rehabilitation and clinical services, our Assessment Division is comprised of a team of skilled and experienced professionals and an outstanding (and constantly growing!) roster of highly qualified assessors. Led by Gina Greco, VP & Managing Director, with over 25 years of industry experience, more than half of which were spent dedicated to the development, marketing and management of successful assessment service operations, our team is ready to accept your referrals and enquiries!

Headquartered in Mississauga, Ontario, our Assessment Division will provide exemplary service, objective and reliable opinions and reports to insurers, employers, government agencies and law firms across Canada. We will expertly coordinate all of your medical, psychological, functional and vocational assessment needs and diagnostic services in a timely, efficient, cost-effective and *customized* manner, ensuring your clients, claimants, employees and members are treated with the utmost respect and courtesy, always cognizant of and sensitive to any issues related to their disability, privacy, safety and culture. We strive to understand your business, and your unique needs, and work hard to ensure that our services are delivered to you in a manner that makes sense to *you*...whether it be utilizing language that is in keeping with relevant legislative frameworks, judicial guidelines, policy requirements, or reporting formats, timelines, geography, etc...your requests are always carried out in a professional and efficient manner...*to the letter*.

**In need of a professional, attentive and knowledgeable assessment services provider?**

**Remember these 3 letters: **AGS****

*AGS Rehab Solutions was founded by Addie Greco-Sanchez in 1999 and has become a leader in the provision of vocational rehabilitation, disability management, prevention and vocational solutions to insurers, employers, law firms and government agencies.
